From the Desk of Mrs. Hobson

It is hard to believe that summer is almost over. I hope that everyone was able to enjoy some time off. I am excited to once again have these hallways filled with your bright and shining faces. I know that together we can make this the best school year that New Washington has ever had. Please take a minute to review your student handbook. <http://nwmhs.gcs.k12.in.us/nwmh-student-handbook-2017-2018/> We will discuss this the first day of school, but it is helpful to know the rules and expectations.

Enjoy the rest of your summer. We will see on July 27th!

Featured Mustang

New Washington's own Bill Jones was selected as the GCCS Teacher of the Year. We are so proud of Mr. Jones for all of the hard work and dedication he gives for our students. Mr. Jones truly shows what it means to have Mustang Pride!

Congratulations to
Mr. Bill Jones
Greater Clark
Teacher of the Year!

Reminders from the Office:

- School days have been moved up five minutes. We will now start our day at 8:10 and end the day at 2:55. The building will open to students at 8:00.
- The first day of school is Thursday, July 27th.
- We will have a back to school night for all of our middle and high school students on Wednesday, July 26th from 4-7 (this is the same night as NWES).

Mustang Athletics

- All students 6-12 who want to participate in athletics MUST have the pre-participation physical packet signed and completed (2 page physical form, consent and insurance information, and concussion and cardiac arrest information sheet). All four pages must be signed and turned into the office prior to the first day of practice.
- 2016-2017 was an incredible year for Mustang Athletics. We had two individuals qualify for the State Finals (Olivia Graebe in cross country and Noah Franklin in wrestling). Our boys' basketball team made it to the final four in the state tournament for the first time in school history. Last year was a great year, but now is the time for all of our student athletes to prepare for their future success. The off-season is an opportunity for student-athletes to put in time to get better as individuals. Remember to work hard and have fun! We are looking forward to another incredible year in 2017-2018.

Go Mustangs!
